

The Top 10 Reasons Sellers Are Listing With

Elite Mountain Properties:

1. We put your individual needs first and foremost.
2. Our advertising is unique and more extensive than any other Real Estate agency that we know of:
 - Open any local paper and you'll find our ad
 - We are the only company that mails out over 5000 color brochures advertising your property to perspective buyers each month.
3. Through our membership in the local Multiple Listing Service you'll have over 300 Realtors® working to sell your property.
4. The Elite Team is composed entirely of Broker-Realtors®, the highest professional certification, and is the most technologically advanced in the area.
5. Elite will prepare a FREE, no obligation Comparative Market Analysis (CMA) on your home.
6. We are located in downtown Blowing Rock where a steady stream of visitors, who often purchase property throughout the county, pass our main office door. We advertise your property continuously on a flat screen monitor, brochures posted on the windows, and brochures to take away.
7. We keep you updated on buyers who view your property.
8. We treat all of our clients and customers the way we would want to be treated.
9. We will facilitate every step of your closing.
10. Elite's goal is the same as yours: to sell your property as quickly as possible at the highest price possible.

Sincerely,
The Elite Team
